Hello Cherokee students and families,

Students should have received an invite via Google Classroom or via email to their PE classes. 7th and 8th graders who have PE everyday, please join the classrooms called Everyday PE 7th grade or Everyday PE 8th grade. This will help you so that you can post the assignment to both of your PE teachers at the same time rather than posting to two separate classes.

For the 2nd week (4/13-4/17) of online learning, we are going to be sending out resources that students can use at home for exercise. We will also be starting a

	7th- <b>lefw247</b> 8th- <b>peqhcot</b>		daily exercise journal which will be filled out and returned weekly. Finally, we will have a couple of discussion questions which will need to be done by Friday, April 17th. You can reach me by email during my office hours. If you are needing extra activities to do around home, please feel free to ask. Make sure you are still getting exercise! Take care!
